Tdap Booster Requirement California Law Assembly Bill 354

Dear Parent/Guardian:

Our records indicate that your child needs the Tdap vaccine to meet the requirements of the California School Immunization Law.

You will need to do one of the following **immediately**:

1. If your child has already received the needed immunization(s), **please take his/her immunization record to the school.** Your child's record must contain the date, specific name of the vaccine and doctor's office stamp or signature.
2. Otherwise, take this form along with your child's Immunization Record to your physician or another health care provider to obtain the required immunization(s). **A parent must be present** in order for the child to receive vaccine(s). Once completed, bring your child's updated immunization record to the school.
3. If any immunizations were not given to your child for medical reasons, please provide the school with a letter of explanation signed by the doctor.

Immunizations may be given by your family physician and most local pharmacies. They are also available at the clinics listed below for students with no insurance. Call the clinics for information regarding days, times, fees, and appointments.

Orange County Health Care Agency
1725 West 17th St. Santa Ana, CA
(800) 914-4887 • Low income
If Insurance will not cover • (800) 564-8448
